Professional Experience

6/2007 - present	Media Production Consultant	Univ. Wisconsin-Madison	Madison, WI
------------------	-----------------------------	-------------------------	-------------

I Provide consultation and media production for the College of Letters and Science. My work includes location and studio production, faculty and staff training, digital non-linear editing, dvd authoring, graphic design. I supervise student interns, student staff and PAs. I serve on the LSS editorial group, the campus wide media producers group. I instruct a workshop on digital storytelling and teach the media production curriculum for English 332: The Global Spread of English.

1/2004 - present	Independent Producer	David Macasaet	Missoula, MT
------------------	----------------------	----------------	--------------

Video production, web and print design services for the leading communications firms in Missoula and Western Montana: Spiker Communications and Salt Studio. Work included lights, camera, sound, edit, and dvd authoring for local and statewide commercials and corporate videos. Clients also include the University of Great Falls, University of Montana, School of Fine Arts, as well as many non-profit organizations. My work contributed to four gold Montana Addys in 2005.

8/2005 - 8/2006	Graphic Designer	University of Great Falls	Great Falls/MT
-----------------	------------------	---------------------------	----------------

Produced artwork and designs for the University of Great Falls, including print, web, and video. My experience includes a complete redesign of the university web site, creating materials like a 200 page athletic media guide and shooting campus photography. I recently finished a video for the Army's JAG program on campus that ranked number one out of several competing universities.

6/2001 - 8/2005	Festival Director	Missoula Outdoor Cinema	Missoula/MT
-----------------	-------------------	-------------------------	-------------

I founded, organized and directed this thriving outdoor festival which has screened to over 10,000 people over the last five years. the MOC has screened over 75 features and shorts with an increasing focus on local and independent films. Day to day responsibilities include sponsorship development, multimedia design, programing, volunteer coordination, outreach and marketing, projection, and development.

6/2005 - 7/2005	Instructor	University of Montana	Missoula, MT
-----------------	------------	-----------------------	--------------

Developed the curriculum and led the intensive summer session for Media Arts 495: Introduction to Web Design. Received overwhelmingly positive feedback from students on the design of the class and the quality of my instruction.

1/2003 - 5/2005	Teaching Assistant	University of Montana	Missoula, MT
-----------------	--------------------	-----------------------	--------------

Instructed Media Arts 111: Fundamentals of Media Arts Production for five semesters. I solo taught the course for summer session 2004. Faculty selected me to teach this course in my first semester of graduate school, making me one of the youngest instructors to be given the privilege of teaching the course. I prepared lectures and tutorials, led critique sessions, and facilitated student learning through class discussion and special topics presentations.

12/2001 - 4/2002	Grant Manager	Missoula Aging Services	Missoula, MT
------------------	---------------	-------------------------	--------------

Built and administered a grant awarded by the Points of Light Foundation. The grant's objective was to encourage more persons with disabilities to get involved with meaningful community service projects. I administered all aspects of the grant including the budget, outcome-based reporting, staff supervision. I also developed awareness and promotional materials for TV, radio, and print media. Additionally, I built and maintained a steering committee made up of leaders within the disabilities field.

David Macasaet

6/1999 - 6/2001 **Program Manager** **Volunteer Montana** **Missoula, MT**

Managed the day to day operations of a statewide national service program, providing technical assistance, training, consultation and direct supervision. I directed national recruitment campaigns resulting in an average retention rate of 80%, well above the national average. Designed marketing campaigns and related materials, saving the organization over \$5,000 in professional services. I proudly led a team of fifty in activities that demonstrably improved conditions for over 7,000 individuals and families in Montana communities.

9/1997 - 7/1999 **Team Leader** **AmeriCorps National Service** **Missoula, MT**

I established volunteer programming yielding over \$5000 in recovered property and two warrants for the arrest of suspected criminals. I coordinated service projects, leading to several long-term community partnerships. I provided leadership for a team of eight national service members, coordinating activities, assisting with projects, facilitating conflict resolution and celebrating success. I developed and implemented volunteer trainings. I conducted statewide recruitment campaigns for volunteers, yielding over 100 mentors for Montana foster youth.
